Why Titan Electric Sprayers?

Interior and exterior projects – from kitchen cabinets to the block siding of a factory – are profitable only if the work can be done faster than a simple brush and roll. For that you need the kind of power and reliability you have come to depend on from a Titan electric airless sprayer.

Backed by the most powerful warranty in the industry, our sprayers incorporate the durability and reliability you depend on to get interior and exterior projects done quickly and perfectly the first time. Whether your applications include a closet or a full-scale commercial jobsite, we have an electric airless sprayer designed and built for your needs.

TOTAL RELIABILITY

- Proven technology - you finish every project quickly and profitably
- Superior design and construction maximizes the service life of your electric airless sprayers
- Complete diversity – we have the right equipment for every fine finishing application
- Half a century of getting the job done right – TITAN is the name you trust

ADVANCED PERFORMANCE

- TITAN electric airless sprayers are designed BY professionals FOR professionals
- Our electric airless sprayers, guns and equipment are built for hard work and long life
- The latest engineering technology ensures ease of use and dependability
- Our electric airless sprayers meet and exceed the expectations of professionals who want to do the job right the FIRST time.

UNSURPASSED SERVICE

- Dependable, reliable network of authorized sales and service distributors
- The best customer service in the industry to help you select and maintain your electric airless sprayers, guns and equipment
- Professional application and service representatives ready to assist you with recommendations and technical support

THE BEST & LONGEST WARRANTY IN THE INDUSTRY

When you purchase TITAN electric airless sprayers or equipment you purchase performance. We stand behind that assurance and are so confident in the quality of our fine finishing equipment that we offer the best and longest warranties in the industry, including:

- 4-Year Manufacturer's Defects
- Lifetime Brushless Motor Warranty
- Limited Lifetime Motor Warranty
- Lifetime Drive Train Warranty
- 35-Day Satisfaction Guarantee
- Express Parts Program
- WearGuard™ Convenience Program

Titan™ IMPACT® Series

When business is booming, maximize the IMPACT of your investment.

Business is demanding and you need the kind of performance you expect from TITAN sprayers. It's time to invest in the expanded features and performance that will make a major IMPACT on your profit margin. Titan IMPACT electric airless sprayers are the best-designed, best-performing and most popular sprayers in their class.

Titan IMPACT Series Paint Sprayers

- NEW! Quad+ Packings – designed to wipe abrasive coatings clean during operation, preventing damage to the piston or the main sealing lip
- NEW! Auto-Oiler – with the push of a button you can deliver oil from the reservoir directly to the packings
- NEW! Sureflo™ Pusher Valve lets you release stuck lower ball valve without using a hammer
- Digi-Trak Control and Integrated Digital Display (available on selected units)
- Dura-Life™ brushless HE motor (available on selected units)
- EZ Tilt™ cart allows for easy clean-up and faster pail changes (available on selected units)
- Easy Out™ fluid section (available on selected units)

These high-performance, light, medium and heavy-duty electric airless paint sprayers are designed for sustained operation on wide variety of projects, from a single room in a cottage to a warehouse or

TITAN™ IMPACT® SERIES 440

The IMPACT 440 is ideally suited for residential, property maintenance and small commercial applications. This high performance electric airless sprayer will apply all standard architectural primer and paint coatings quickly, easily and efficiently.

- The #1 selling sprayer in the industry is now even better with enhanced features and performance!
- Designed to consistently spray 50 - 100 gallons per week
- Ideal for applying stains, lacquers, enamels, latex and other low and medium viscosity coatings

440 Specifications

Max. Delivery	.54 GPM
Max. Tip Size	.023"
Max. Operating Pressure	3300 PSI
Weight (skid frame)	48 lbs.
(high rider)	59 lbs.
Motor	7/8 hp DCX Motor

Configurations:

- Skid 805-015*
- High Rider 805-016*
- Low Rider 805-019*

*Complete with LX-80" gun, 517 SC-6 reversible tip and 1/4" x 50' airless hose.

The #1 Selling Sprayer in the Industry Just Got Better!

Recommended for small and medium residential and commercial projects.

TITAN™ IMPACT® SERIES 540

The IMPACT 540 is a step-up performer designed for more extended use in residential, municipal, property maintenance and small commercial applications where a greater degree of performance is required on a steady and consistent basis.

- Designed to consistently spray 75 - 150 gallons per week
- Ideal for applying stains, lacquers, enamels, latex and other low and medium viscosity coatings

Hose Wrap
Holds up to 150' of
Airless hose

Easy Load Cart
Clean back loads in and
out of vehicles easily

Electronic Pressure Control
Consistent pressure
zero deadband

Auto-Oiler™
The oil reservoir delivers
oil to packing with the push
of a button

Dura-Life™ Brushless HE Motor
Optimized for every tip size and
every painter's technique

Sureflo™ Pusher Valve

For easy start
- No hammers
required and
easy prime

Recommended for small and medium residential and commercial projects where more sustained performance is necessary.

540 Specifications

Max. Delivery	0.60 GPM
Max. Tip Size	0.024"
Max. Operating Pressure	3300 PSI

*Complete with LX-80" gun, 517 SC-6 reversible tip and 1/4" x 50' airless hose.

Titan™ ADVANTAGE® Series

When dependable simplicity means affordable profitability.

Contractors working to build their business want the best value for their hard-earned dollars. That's why we created the TITAN ADVANTAGE Series: these simple, durable and affordable sprayers are built to work as hard as you do.

Titan ADVANTAGE Series Paint Sprayers

- Designed for simple, user-friendly operation with maximum performance
- Exclusive lifetime warranted DCX Motor is sealed and protected from overspray
- All units feature a time-tested, painter-proven sleeveless fluid section that minimizes repair costs

These durable, high-performance electric paint sprayers are designed for sustained operation on a wide variety of projects – from a single room to a warehouse. Recommended for contractors who want dependability and reliability in a basic and affordable sprayer.

Reliable Piston Performance

One Piece Design

Allows maximum fluid flow while minimizing wear and pressure loss

Static Packing Design

No need for a wearable cylinder = lower repair costs

High Flow Prime/Spray Valve

Piston Rod

Has thick wall section for longer life and better durability

Large Manifold Filter

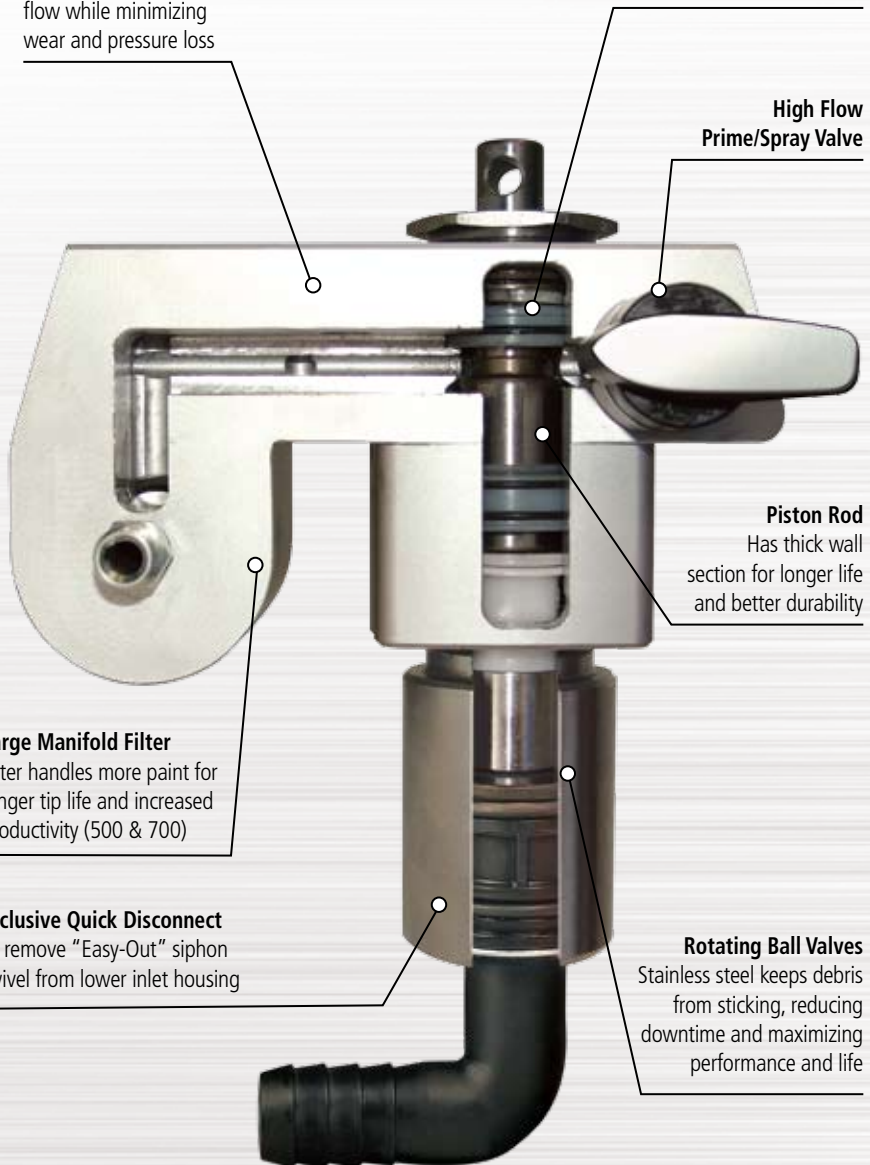

Filter handles more paint for longer tip life and increased productivity (500 & 700)

Exclusive Quick Disconnect

To remove "Easy-Out" siphon swivel from lower inlet housing

Rotating Ball Valves

Stainless steel keeps debris from sticking, reducing downtime and maximizing performance and life

TITAN™ ADVANTAGE® SERIES 400

The ADVANTAGE 400 was designed to minimize size and weight without sacrificing performance. We built this unit to deliver .47 GPM - making it the highest performing sprayer in its class and therefore ideal for smaller residential and commercial applications.

- Designed to consistently spray 50 – 100 gallons per week
- Ideal for applying stains, lacquers, enamels, latex and other low and medium viscosity coatings

Self-Lubricated Gears
For lifetime service

Reliable Electric Pressure Control

High Flow Prime Spray Valve

**Complete with G-10 gun, 517 SC-6 reversible tip and 1/4" x 50' airless hose.*

Quick-Release Swivel Suction Set

Exclusive .75 DCX Motor
Sealed and protected from overspray

Easy-Carry Handle
Light weight and portable

Large Drip Cup

Stationary Packings
No cylinder to wear or replace

Recommended for smaller residential and commercial projects where a lightweight sprayer has the most practical application.

ADVANTAGE 400 Specifications

Max. Delivery	.47 GPM
Max. Operating Pressure	3100 PSI
Max. Tip Size	0.021"
Motor	.75 HP
Height (Skid Frame)	46 lbs
(High Rider)	58 lbs
(Low Rider)	66 lbs

Configurations:

- Skid Frame 0552054*
- High Rider 0552071*
- Low Rider 0552072*

**Complete with G-10 gun, 517 SC-6 reversible tip and 1/4" x 50' airless hose.*

TITAN™ ADVANTAGE® SERIES 600

The ADVANTAGE 600 is a step-up performer designed to deliver heavier coatings at a 49% higher rate than the ADVANTAGE 400. Like the 400 Series, this sprayer is designed for more extended use in residential, municipal, property maintenance and medium commercial applications where a greater degree of performance is required on a steady and consistent basis.

- Designed to consistently spray 100 – 150 gallons per week
- Ideal for applying stains, lacquers, enamels, latex and other low and medium viscosity coatings

100' Hose Wrap

Durable, Nickel-plated Cart
With telescoping handle

Full-Size Manifold Filter
With three-turn removal

High Flow Prime Spray Valve

No Cylinder Sleeve to Wear or Replace
Minimize repair time and cost

Exclusive 1.70 HP DCX Motor
Sealed and protected from overspray

Fluid Section
Time tested, painter proven

Recommended for medium residential and commercial projects.

ADVANTAGE 600 Specifications

Max. Delivery	.70 GPM
Max. Operating Pressure	3100 PSI
Max. Tip Size	0.027"
Motor	1.70 HP PMDC Brushless
Weight (High Rider)	65 lbs
(Low Rider)	65 lbs

Configurations:

- High Rider 0552058*
- Low Rider 0552059*

*Complete with G-10 gun, 517 SC-6 reversible tip and 1/4" x 50' airless hose.

TITAN™

ADVANTAGE® SERIES 1100

Just because it's simple doesn't mean it can't be powerful. The ADVANTAGE 1100 delivers close to a gallon of coating per minute with 2 gun capability - perfect for residential repaints, new construction and even large commercial applications.

- Designed to consistently spray 200 – 300 gallons per week
- Ideal for applying all architectural coatings including stains, lacquer, enamel, latex, block fillers and elastomerics

Recommended for medium and large residential and commercial projects where larger tips or a 2-gun sprayer capable of handling all architectural coatings are needed.

ADVANTAGE 1100 Specifications

Max. Delivery	1.15 GPM
Max. Operating Pressure	3100 PSI
Max. Tip Size	(1 gun) 0.033"
	(2 guns) 0.021"
Motor	2.20 HP PMDC Brushless
Weight	(High Rider) 105 lbs
	(Low Rider) 105 lbs

Configurations:

- High Rider 0552068*
- Low Rider 0552069*

*Complete with G-10 gun, 517 SC-6 reversible tip and 1/4" x 50' airless hose.

Titan™ XT Series

The pump of choice for contractors & semi-professionals.

Whether you are a painting contractor, a maintenance worker or a serious do-it-yourselfer, the right tool for the right job is the difference between a good investment and a bad one. TITAN XT Series airless sprayers maximize productivity, and profit, without sacrificing affordability.

- Unlike some single stroke piston pumps which run at high speeds, the Titan XT Series pumps are able to run at much slower speeds and deliver material on both the up and down stroke for powerful and smooth operation
- Collapsible cart for easy transportation and storage (Use picture from full line catalog)
- Quick-Check™ lighted power cord indicates sprayer is receiving power
- SpeedRinse™ for fast and easy clean up.

Quickflo™ Valve

Quickflo™ –Release of inlet valve for easy priming every time

Smart-Move™ Collapsible Cart

Collapsible cart for easy transportation and storage

Quick-Check™ Power Cord

Quick-Check™ Lit power plug indicates power is on.

TITAN™ XT SERIES 250 / 290

For entry-level contractors, maintenance departments and larger property managers who require significant capacity and performance for quarterly spraying.

For serious do-it-yourselfers, handyman, property managers or part-time contractors who require the capacity and performance for spraying once or twice a year.

TITAN™

Advanced Performance. Total Reliability.

Electric Airless Sprayers

The Best & Longest Warranty in the Industry

Titan electric sprayers are built to last. We are so confident that our IMPACT & ADVANTAGE Series sprayers will hold up to the most difficult jobs that we offer the best and longest warranty in the industry.

4 Year Manufacturer's Defect

We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as; filters, piston, packings, tips, etc.

Lifetime Dura-Life Brushless HE and PMDC Brushless Motor Warranty

If the motor fails for any reason (including wear) for as long as you own the sprayer; we will replace the motor at no cost to you.

Limited Lifetime DCX Motor Warranty

If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

Lifetime Drive Train Warranty

If the drive train fails from normal usage for as long as you own the sprayer; we will replace the drive train at no cost to you.

35-Day Satisfaction Guarantee

If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit towards the purchase of a Titan sprayer of larger size and value.

Express Parts Program

- Over 400 Authorized Service Centers nationwide
- The most common repair parts are guaranteed to be in stock 100% of the time.
- If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST).

WearGuard Convenience Program

Purchase a new IMPACT OR ADVANTAGE Series sprayer and you qualify for one of the following packages:

A: Receive the sprayer's repacking kit at no charge. This kit includes: packings, upper and lower balls, seals and o-rings.
