For Your Toughest Spraying Applications
Why Titan Gas Airless Sprayers?

Titan offers a full range of gas-powered, gear-driven and hydraulic piston sprayers backed by the most powerful warranty in the industry. Our sprayers incorporate the simplicity, durability and reliability that contractors and professionals depend upon to get projects done quickly and perfectly the first time. Whether your applications include occasional property maintenance or full-scale industrial projects, a single room or an aircraft carrier, we have a sprayer designed and built for your needs.

ADVANCED PERFORMANCE

• Titan sprayers are designed BY contractors FOR contractors
• Our sprayers are built for hard work and long life
• The latest engineering technology ensures ease of use and dependability
• Our sprayers meet and exceed the expectations of contractors who want to do the job right the FIRST time.

TOTAL RELIABILITY

• Proven technology - you finish every job quickly and profitably
• Superior design and construction maximizes the service life of your sprayer
• Complete diversity of equipment – we have a sprayer for every application
• Half a century of getting the job done right – TITAN is the name you trust

UNSURPASSED SERVICE

• Dependable, reliable network of authorized sales and service distributors
• The best customer service in the industry to help you select and maintain your sprayer
• Professional application and service representatives ready to assist you with recommendations and technical support

THE BEST AND LONGEST WARRANTY IN THE INDUSTRY

When you purchase a Titan sprayer you purchase performance. We stand behind that assurance and are so confident in the quality of our sprayers that we offer the best and longest warranties in the industry, including:

• 4-Year Manufacturer’s Defects
• 3-Year Gas Engine Warranty
• Lifetime Drive Train Warranty
• Lifetime Motor Warranty
• 35-Day Satisfaction Guarantee
• Express Parts Program
• WearGuard™ Convenience Program
GPX sprayers have a reputation for simple, rugged reliability other brands can only envy. Pound for pound and gallon for gallon, GPX sprayers offer more power and greater value than any gas-powered sprayer in their class.

**GPX Gear-Driven Piston Paint Sprayers**
- Exclusive fluid section design requires no cylinder; fewer wear parts reduces maintenance cost
- Stainless steel rotating ball valves keep debris from sticking to minimize downtime and maximize performance
- Access and clean the ball valves without damaging packings or removing fluid section
- Industry-leading, heavy-duty, self-aligning clutch
- Patented, one-piece modular pump housing design makes routine service quick and easy — lasts up to 30% longer than competitor line stripers (GPX85 only)
- One-piece, self-adjusting static packings with wiper lip last up to 50% longer, lifetime cylinder warranty means you spray more and worry less.
- Reversible inlet and outlet seats last twice as long as standard seats.
- Proven engine technology — advanced performance, total reliability and proven overhead cam engines with the most powerful HP to GPM ratio and greater fuel efficiency than overhead valve engines.
- Quiet operation — 33% fewer moving parts makes this one of the quietest engines operating today
- Easy Starting — 30% to 40% less pulling force than other engine brands

These high-performance, light and medium duty paint sprayers are designed for economical operation on a wide variety of projects, small and large. Recommended for entry level contractors and contractors who need an additional gear-driven piston paint sprayers.

**GPX85 Specifications**
- Max. Delivery: .85 GPM
- Max. Operating Pressure: 3300 PSI
- Max. Tip Size (1 Gun): 0.030”
  (2 Guns): 0.021”
- Max. Hose Length: 300’
- Engine: 4.5 HP
- Weight: 120 lbs

---

The GPX85 is ideally suited for new construction, residential repaint and small commercial projects where electricity is not readily available. This high performance, gas-powered airless sprayer will apply all standard architectural primer and paint coatings quickly, easily and efficiently.

**Subaru® 4.5 hp OHC Engine**
Overhead cam engines have greater fuel efficiency than overhead valve engines

---

**Titan™ ADVANTAGE® Series**

**GPX™ Series**

Recommended for small and medium projects.
The GPX130 is a production sprayer capable of supporting large tips and multiple guns on big jobs. A powerful 6.0 hp Subaru gas engine provides plenty of power for spraying most heavy architectural coatings, block fillers and epoxies.

**GPX130**

Recommended for medium to large projects where one or two guns are necessary.
The GPX165 includes a lifetime cylinder warranty to reduce downtime, fully pneumatic tires for easy construction site transporting, and large porting so you can spray high viscosity coatings with multiple guns and long hose lengths.

**GPX165 Specifications**

- **Max. Delivery**: 1.65 GPM
- **Max. Operating Pressure**: 3300 PSI
- **Max. Tip Size (1 Gun)**: 0.042”
- **(2 Guns)**: 0.029”
- **Max. Hose Length**: 300’
- **Engine**: 7.0 HP
- **Weight**: 164 lbs

*Recommended for larger projects where multiple guns are necessary.*
A heavy-duty workhorse with more power than any other sprayer in its class, the GPX220 is recommended for large interior and exterior coating projects where large tips, multiple guns and long hoses are required.

**Subaru® 7.0 hp OHC Engine**
Overhead cam engines have greater fuel efficiency than overhead valve engines.

**Four times the electrical power**
For sure clutch engagement everytime.

**Electronic Pressure Control**
For precise, consistent pressure.

**Static Packings**
For increased packing life.

**Submersed Foot Valve**
Allows for ultra-heavy coatings, splatters and knockdown textured finishes.

**Exclusive Heavy-Duty Clutch**
For increased torque in the system.

**Heavy-Duty Paint Filter**
For increased productivity.

**Large Hose Storage Rack**
Holds 200’ of airless hose.

**Recommended for very large projects where multiple guns are necessary.**

Titan™ SPEEFLO® PowrTwin™ Series

Since their introduction almost half a century ago, Titan SPEEFLO PowrTwin hydraulic piston sprayers have a well-earned reputation for durability and dependability among serious contractors for large scale residential, commercial and industrial applications and multi-gun usage.

SPEEFLO® HydraDrive™
- Reliable, smooth, slow-stroking hydraulic drive greatly extends the operational life of the sprayer.
- External-hydraulic fluid porting with new, upgraded fittings allows for quick troubleshooting and easy maintenance.
- SAE O-Ring fitting and precision rod alignment ensure maximum pump life.

Severe Service 900™ Pump
- Cylinder and piston rod are tempered with a proprietary heat-treating process that increases pump life 150% longer than competitive pumps.
- Self-adjusting packings resist over-tightening and help prevent premature wear.
- Foot valve removes easily for faster cleaning and easy maintenance.
- Reversible inlet and outlet seats have twice the lifespan of ordinary outlet seats. Extra large ball valves ensure efficient pump operation and longer unit life.
- Heavy-duty prime/spray valve ensures consistent, increased flow and faster pump priming.

Electric Convertability
Easy tool-free convertibility from gas-power to electric power for projects where gas engines are not permitted.

These high-performance, heavy-duty paint sprayers use long-stroke, slow-cycling hydraulic piston technology for economical operation and dependable, long-term line spraying. The sprayers of choice for serious contractors with large-scale contractors.
**TITAN™ SPEEFLO® POWRTWIN® SERIES**  
**4900XLT / 6900XLT**

Designed and built for contractors who are serious about completing large scale painting projects quickly and profitably. PowrTwin 4900xlt and 6900xlt are ideal for professionals who want the slow-stroking power and long-term durability only Titan hydraulic piston sprayers offer.

- Dependable Honda® 3.5 hp (4900xlt) or 4.8 hp (6900xlt) OHV gas-powered engine with Low-Oil Alert
- Fast, east, tool-free convertibility to 2 hp Extended-Life DC electrical motor
- Handles up to three guns (4900xlt) or four guns (6900xlt)
- Precise pressure control from 400 psi to 3300 psi, for spraying low viscosity primers all the way up to heavy-bodied finish paints.

**PowrTwin® 4900XLT Specifications**
- Max. Delivery, Gas: 1.25 GPM
- Max. Delivery, Electric: 1.10 GPM
- Max. Operating Pressure: 3300 PSI
- Max. Tip Size (1 Gun): 0.036"  
  (2 Guns): 0.026"
- Engine, Gas: 3.5 HP
- Motor, Electric: 2.0 HP
- Weight: 130 lbs

**PowrTwin® 6900XLT Specifications**
- Max. Delivery, Gas: 2.15 GPM
- Max. Delivery, Electric: 1.25 GPM
- Max. Operating Pressure: 3300 PSI
- Max. Tip Size (1 Gun): 0.048"  
  (2 Guns): 0.033"  
  (3 Guns): 0.023"
- Engine, Gas: 4.8 HP
- Motor, Electric: 2.0 HP
- Weight: 139 lbs
**PowrTwin® 8900XLT**

**Specifications**

- **Max. Delivery, Gas**: 2.35 GPM
- **Max. Delivery, Electric**: 1.25 GPM
- **Max. Operating Pressure**: 3300 PSI
- **Max. Tip Size**: (1 Gun) 0.052"; (2 Guns) 0.038"
- **Engine, Gas**: 6.5 HP
- **Motor, Electric**: 2.0 HP
- **Weight**: 155 lbs

**Features**

- **S-3 Gun Stainless Steel Sprayer**
- **SC-6™ Reversible Tip**
- **1/4" x 50' anti-static hose**
- **Honda® GX200 6.5 hp OHV Engine**

A workhorse hydraulic sprayer for contractors working on large scale projects.

A step up for projects that require greater power and output, the 8900XLT series is our best-selling hydraulic piston sprayer, favored by contractors who want to complete large application jobs in record time with high profit margins.

- Dependable Honda® 6.5 hp OHV gas-powered engine with Low-Oil Alert
- Fast, easy, tool-free convertibility to 2 hp Extended-Life DC electrical motor
- Handles up to five guns
- Precise pressure control from 400 psi to 3300 psi, for spraying low viscosity primers all the way up to heavy bodied coatings, block filler and elastomerics

**Heavy Duty Paint Filter**

Longer tip life and increased productivity

**HydraDrive™**

Hydraulic Fill and Dip Stick

Easy access for less mess

**Accutrol™ Pressure Control**

Accurate from 400- 3,300 psi. No electronics, freeze hazard or maintenance.

**High Efficiency Cooling Fan**

Keeps the hydraulics cooler for longer life

**Durable, Chrome-Plated Cart**

With telescoping handle and extra lift handles

**High Capacity Hydraulic Fluid Cartridge Filter**

Keeps hydraulic system clean and easy to maintain
For large scale industrial and commercial projects — where maximum GPM output is the difference between profit and loss — serious professionals turn to the PowrTwin 12000XLT, a super workhorse that can feed any architectural primer or paint coating to as many as SIX guns.

- Dependable Honda® 8.0 hp OHV gas-powered engine with Low-Oil Alert
- Fast, east, tool-free convertibility to 2 hp Extended-Life DC electrical motor
- Precise pressure control from 400 psi to 3300 psi, for spraying low viscosity primers all the way up to heavy bodied coatings, block filler and elastomerics

**Recommended for very large projects where up to six guns are needed.**
Direct Immersion Sprayers

Why XLT Direct Immersion?
Titan SPEEFLO hydraulic airless paint sprayers are the choice of contractors because they are built by contractors for contractors. Our PowrTwin XLT-DI models are designed to minimize the distance between the inlet valve and heavy, high-solids coatings, enabling more efficient sprayer operation with less strain on the pump.

XLT-DI with EZ-Swing Frame
Direct Immersion design for ultra-heavy coatings
- Apply texture and architectural primers and finishes with the same sprayer.
- Sprays ultra-heavy coatings including joint compound, drywall mud, high solids, block filler and elastomeric.
- Spray splatter, orange peel and heavy knockdown textures with optional splatter Nozzle (P/N 765-360).
- Able to siphon ultra-heavy coatings without starving the sprayer.
- Pump cleans out faster, with less water or solvent.
- Better weight distribution, lower center of gravity and large pneumatic tires for ease of transportation, even in the most severe job-site conditions.
- Converts from gas power to electric power in seconds — without tools!

PowrTwin® 6900XLT DI
Specifications
Max. Delivery, Gas 2.15 GPM
Max. Delivery, Electric 1.25 GPM
Max. Oper. Pressure 3300 PSI

TITAN™ SPEEFLO®
POWRTWIN® SERIES
6900XLT DI

Large scale projects need large scale, direct immersion sprayers — the kind of sprayers only Titan can offer. Slow-stroking hydraulic technology coupled with state-of-the-art engineering and maximum engine power means consistent, dependable performance and a high profit margin. This is a serious sprayer for serious contractors.

- Durable, chrome-plated cart — with telescoping handle and extra lift handles
- HydraDrive™ and hydraulic fill and dip stick — easy access for less mess
- Heavy duty paint filter for longer tip life and increased productivity
- Accutrol™ pressure control — accurate from 400–3,300 psi. No electronics, freeze hazard or maintenance.
- E-Z swing frame allows for less spillage during paint changes and lowers height of unit for easier transportation.
- High efficiency cooling fan keeps the hydraulics cooler for longer life
- Large pneumatic tires for ease of transport

Honda® GX160 4.8 hp OHV Engine

PowrTwin® 6900XLT DI
Specifications

The Best & Longest Warranty in the Industry

Titan® sprayers are built to last. We are so confident that our Gas Airless Sprayers will hold up to the most difficult jobs that we offer the best and longest warranty in the industry.

4-Year Manufacturer’s Defects
We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, tips, etc.

3-Year Honda® Engine Warranty
Against defects in materials and workmanship.

3-Year Subaru Gas Engine Warranty
Against defects in materials and workmanship.

Lifetime Extended Life ExL-DC Motor Warranty
If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

35-Day Satisfaction Guarantee
If, for any reason, the sprayer you purchase does not perform up to your expectations within 35 days, it can be exchanged for an identical model or full credit towards the purchase of a sprayer of larger size and value.

Express Parts Program
Most common repair parts are guaranteed to be in stock 100% of the time in over 400 Authorized Service Centers nationwide. If, for any reason, your preferred Authorized Service Center is out of stock, FREE 2nd Day Air Delivery is available if the order is placed by 3:00 PM EST.

WearGuard™ Convenience Program —
Purchase a new GPX, PowrTwin or Hydra sprayer and qualify for one of the following:

A: Receive the repacking kit for your sprayer at no charge. This kit includes: packings, upper and lower balls, seals and o-rings.

B: Purchase the major repair kit for your sprayer for only $125 (save up to 78%). This kit includes: a repacking kit in addition to a piston and cylinder. (Available only for the GPX and PowrTwin Series).

C: Purchase the complete Pump Section for your sprayer for only $250 (save up to 83%). This includes all the parts necessary to replace the entire fluid section. (Available for the GPX and PowrTwin Series only.)

For more information about the industry’s leading warranty, please call the Titan® Technical Service Department at 1-800-526-5362.
